European-Style Artificial Wedding Bouquets

The European-style curled rose wedding bouquet shows the fresh and elegant beauty of life. Through natural shape design, each rose is highly simulated, and the petals are dyed with a natural transition. The rich selection of materials complements the floral foliage, creating a sophisticated yet authentic appearance.

Characterized by high quality and craftsmanship, this artificial wedding bouquet brings a romantic and timeless floral experience to special moments.

Material	plastic, silk flower
	Injection molding, bone injection
	artificial rose
Color	Milky white champagnelight pinkorangedark redlight blue European curled rose
Model	artificial rose
Height	32CM
Usage	wedding, photography props, home decoration

Details of petals

Made of high-quality silk cloth, the transition dyeing color is bright, and the simulated natural curling edges are layered with petals, which is real and natural.

Leaf details

The leaves made of special silk cloth have clear vein texture and natural colors.
Composed of 3 types of leaves with distinct layers

Details of branches
Simulated wrapping process and embedded iron wire ensure the three-dimensionality of the bouquet
It can be bent at will to suit flower pots of various sizes.
