Product Description

Description:

Dream Gradient rose is an exquisite immortal flower art, made using advanced immortal flower technology, retaining the natural beauty of roses. The unique dreamy gradient design of this preserved flower gives the flowers a unique layer of color that is intoxicating.

With careful processing, these preserved flowers can keep blooming for 3-5 years, becoming a lasting symbol of beauty, suitable for decoration, gift giving, and expression of affection on various special occasions.

Our advantage:

Evenly shaped flowers with full petals

Color is stable and firm

Made of medical raw materials, no pungent smell

Improved formula is not easy to regain moisture

Provide customized services

Pursue high quality and strictly select good patterns

Do not process rosettes with cracks, insect holes, or diseases.

Second selection after decolorization and coloring are completed

Remove flowers that have been lost, petal cracked, or unevenly colored during processing.

Only flowers that meet Grade A quality requirements are selected.

Second coloring

To achieve the effect of gradient color, the pins are finally fixed and boxed.

Exquisite quality preserved flowers are now complete.
