Product Description

This single-ended artificial flower ball made of silk is realistic and soft, suitable for DIY decoration and creative design.

This artificial flower ball is made of high-quality silk material, soft to the touch and realistic in appearance, just like a real flower. Each flower ball is carefully designed and produced with fine details, bright colors and rich layers, giving people a beautiful and vivid visual enjoyment.

Advantages

- It can be customized and matched, and you can freely choose the flower color, flower shape and flower ball size.
 Carefully designed and produced with bright colors and rich layers, suitable for various occasions.
- 3. No maintenance required, maintains good appearance for a long time, adding beauty to the environment.
- 4. Multifunctional, beautiful and practical, such as home decoration, wedding decoration, commercial venues, etc. It is an ideal choice for gifts or personal use.
