Product Description

This faux hanging basket Christmas decoration is ideal for creating a festive atmosphere in your home. It uses environmentally friendly materials such as plastic, Christmas tree resin, real pine cones and artificial flowers to ensure that the product is healthy and pollution-free. The American modern minimalist style combines classic elements such as pine branches, pine cones, and rattan. It can be equipped with LED string lights and colorful lights of various colors to illuminate your home and create a warm atmosphere.

The exquisite craftsmanship of artificial christmas hanging plants shows lifelike and delicate artificial plants, especially the detailed processing of real pine cones, which makes them look simple and real. The hanging basket weighs about 630g, and the size can be customized to adapt to different space requirements. Not only can it be hung outdoors, it is also an ideal pendant indoors.

Overall, this artificial hanging baskets for christmas can not only add bright decoration to your yard during the Christmas season, but it is also a simple and warm outdoor pendant that can be displayed all year round. Artificial holiday hanging baskets highlight the design concept of American, modern and simple style, creating more warm and pleasant moments for your home.
