Maintenance instructions

Artificial flower plants can be wiped clean with a wet wipe or a clean wet cloth, and the remaining moisture can be quickly cleaned with a dry cloth. Do not rinse or soak directly with water for a long time, which may cause damage (not included in after-sales service). Artificial flowers are different from real fruits and are handmade. product, don't overthink it. Occasionally, there may be burrs left on the glue or the blades may fall off (the fallen parts can be installed back). This is a normal phenomenon and does not affect use. Please be careful when photographing.
