FAQ

1.About size

The dimensions are measured manually. Due to factors such as different measuring tools and methods, there will be a small error, but it will not affect the overall aesthetic effect.

2. About color

The products are all taken in kind, and the colors have been calibrated to be the closest to the real thing. The color contrast and color temperature of computer monitors will also vary.

3.About quality

The product will be deformed after being packaged and laminated. After receiving the product, unfold it and shake it a few times, and it will slowly return to its original shape

4. About delivery

Large quantities are sent by freight logistics by default. For small quantities, you can choose to send express delivery, wholesale by manufacturers, small profit sales, no freight charges, please
