Product Description

1. Material and production process:

Our fake floral ball centerpieces use high-quality simulated flower materials, and each flower is presented with exquisite production technology. The silk petals are carefully designed to ensure a highly realistic feel and appearance.

2. Appearance features:

This ball artificial flowers features a diverse combination of flowers with bright colors and different shapes. The overall design is simple and elegant, with unique beauty. The layered petals and three-dimensional design make it more visually eye-catching.

3. Size and customizability:

We offer a variety of size options and support customized services to meet different scenes and individual needs, ensuring that the bouquets perfectly blend into various decorative environments.

4. Decorative scene:

Fake floral centerpieces are suitable for various scenes, including banquet centerpieces, table decorations, wedding decorations, etc., adding a romantic and warm atmosphere to different occasions.

5. Durability and maintenance:

Fake floral ball centerpieces are durable, not easy to fade or deform, are simple and easy to maintain, and remain in good condition for a long time, making your decoration more lasting and beautiful.

6. Creativity and personalization:

Artificial flower balls support DIY, and you can freely match the color and shape of the petals according to personal preferences to create a unique and personalized decoration to show the owner's unique taste.
