Product Description

Appearance design:

40*60cmartificial wall flowers for decoration combine a variety of flower designs such as hydrangeas and roses, which are exquisite and romantic. Each flower is carefully designed to present a realistic appearance and lifelike color, making it suitable for a wide range of applications and injecting an artistic atmosphere into the space.

Performance advantages:

This floral wall panel is made of high-quality simulated materials to ensure durability and stability. The 40*60cm size design makes it suitable for various occasions, such as weddings, showcases, wall decorations, etc. Its lightweight design is convenient for portability and flexible placement, while the combination of hydrangea and roses adds layering and beauty to the artificial flower backdrop wall.

Application scope:

This artificial flower panel wall is ideal for weddings, window displays, and wall decorations. In weddings, it serves as a background wall to add a romantic atmosphere to the venue; in showcases, it attracts customers' attention and enhances product appeal; in wall decoration, it adds color to indoor spaces and creates a warm and unique atmosphere.
