Our Product Introduction

Product Description

Product introduction:

High quality silk artificial bouquet is a delicate and highly realistic silk bouquet. The rose head is made of high-quality silk cloth, and the branches are made of wire-wrapped plastic. Combined with the lightweight design, the whole thing is more realistic.

Appearance features:

The artificial silk snowflake roses are carefully matched and come in various colors, including milk white, champagne, light pink, dark pink, peach pink, orange, blue, red, coffee, dark red, and purple. Each rose displays natural texture and beautiful color.

Performance advantages:

Silk realistic fake roses are made of silk fabric, which has a delicate touch and lifelike appearance, and can maintain the beauty of the flowers for a long time. The wire-wrapped plastic branches are strong and durable, not easily deformed, and easier to shape into different shapes.

Application scenarios:

Artificial roses that look real are suitable for living room furnishings, path decoration and other scenes, adding a romantic atmosphere to the space. Whether used as a home accent or as a special occasion decoration, the 7-head Realistic Fake Roses display unique elegance and style.
