These high quality fake flowers are highly realistic and can match the elegance and variety of real flowers. Its level of sophistication makes it an excellent choice for high-end décor, able to match different styles of home. Real touch fake flowers feature leaves made of high-quality silk cloth with neatly cut edges and clearly visible textures that simulate the natural shape of the plant. This detail polishing makes the whole look more realistic and adds an elegant atmosphere to the room.

Highly simulated

High degree of simulation, as elegant and versatile as real flowers, can be matched with different styles

Full flower pattern

The flower patterns are lifelike and full, with rich and natural layers, a three-dimensional effect, and natural color transitions.
