## Product Description

The simulated plastic daisy and small chrysanthemum flower arrangement is an ideal choice for pastoral decoration. Simulated daisy and small wild chrysanthemum flowers are made of high-quality silk cloth with clear texture, full flower shape, natural color, real feel and high degree of simulation.

The leaves are cut evenly, the texture is clear and shiny, and the effect is strong three-dimensional. The appearance is exquisite, as if picked from a natural flower field, adding a lot of color to the environment.

Artificial daisy flowers and fake wild chrysanthemum are made from high-quality materials that make the flowers feel delicate to the touch and stay beautiful for a long time. Whether used as a flower arrangement or used in pastoral-style home decoration, it can inject a natural pastoral atmosphere into the space.

This artificial flower is not only a decoration, but also a work of art with a strong pastoral style. It is suitable for various scenes and creates a warm and natural decorative effect.
