## Product Description

### High-quality silk fabric with slightly wrinkled edges

The stems made of soft silicone are realistic and natural in workmanship, and can be bent, folded, trimmed, etc., and have strong plasticity.

### Full artificial flower pattern

The silk material has fine texture, high simulation, 1:1 real reproduction, and a real flower-like touch feel. The flowers are full in shape, realistic in shape, and the colors are soft and natural, creating a comfortable visual effect.

### Low maintenance and washable

The scene is versatile and can be matched at will, beautiful and comfortable.

### Layers of green leaves

Clear leaf meridians and clear texture improve overall simulation.

### Versatile at home, can be placed anywhere

Nordic simplicity, fashion and versatility, a beauty that never fades
