Product Description

Christmas decorations - artificial red holly berries and artificial pine boughs

This artificial Christmas plant is a unique and eye-catching holiday decoration that combines elements of red holly berries and pine branches to provide a strong festive atmosphere to mall decorations. Each red holly berry is carefully designed to produce a vibrant red color that adds color to the overall decoration.

Advantages:

Realistic design: The design of red holly berries and pine branches is meticulous, highly realistic and lifelike, making the entire display more ornamental.

Durable Material: Made of high-quality man-made materials to ensure product durability and maintain its beauty for a long time, making it your best choice for holiday decorations for many years.

Multi-scene application: realistic artificial plants are suitable for various scenes such as shopping malls, shops, offices, etc., adding a warm Christmas atmosphere to your environment.
